■ Education

Master of Computer Applications (MCA)

Himachal Pradesh University, Shimla | 2020 – 2023

■ Work Experience

Softbiz Technologies Pvt. Ltd. | Associate UI Developer

Jan 2023 – Feb 2025 | Mohali, Punjab

Developed and optimized “Catalyst Referrer”, a professional networking platform integrating LinkedIn and Naukri-like features.

Designed intuitive, scalable components using React.js, Redux, Material UI, and Axios.

Implemented responsive UI and performance improvements to boost load times and engagement.

Led integration with Storybook.js and improved code maintainability with reusable components.

Contributed to Vnues.com, an event-booking platform using Next.js and Angular Material, ensuring modern and consistent design across devices.

Softuvo Solutions Pvt. Ltd. | Frontend / UI Developer

Mar 2025 – Aug 2025 | Mohali, Punjab

Enhanced user experience for a trading application and email security software.

Designed and implemented UI for a therapist management platform improving client interaction.

Led a small team of two developers to manage project timelines and deliverables.

Contributed to UI consistency, component design, and performance optimization.

■ Key Projects

Vnues (Event Booking Platform)

Optimized venue booking flow and built a responsive, scalable UI using Next.js and Angular Material.

Catalyst Referrer (Professional Networking Platform)

Created reusable React components, implemented state management with Redux, and integrated APIs for networking and job referrals.

EasyWebinar (Webinar Platform)

Collaborated with design and backend teams to deliver a dynamic, modern UI using React.js and Material UI.
